HOW IT WORKS...

- To talk to someone about self-excluding from more than 1 betting shop in the area just call:

0330 1234 098

(Calls are charged at normal landline rates from both mobile & landlines)

- Our opening hours are Mon-Fri 9.00am – 5.30pm (or leave a message and we'll call you)
- The team will talk to you about the shops you visit the most and how the multi-operator self-exclusion needs to work best for you.
- You must provide a recent clear colour photograph.
- The minimum exclusion period is a fixed 12 months.
- The exclusion will remain in place for a further 6 months (after the end of the 12 month period), unless you contact us to extend the agreement or ask to resume gambling.
- By agreeing to a multi-operator self-exclusion you agree that we can share your self-exclusion details with other companies which are included in your exclusion.
- As part of your exclusion you agree that you will not attempt to enter any of the shops you have asked to be excluded from.
- If you do attempt to enter you will be asked to leave and must do so immediately.
- You understand that whilst our shops teams will do their very best to stop you from entering and gambling in a shop you have excluded from, the final responsibility lies with you.
- If you do breach your exclusion you should be aware that any bets you do place (unless cancelled before the start of the event by mutual consent) will stand, win or lose. No losses will be refunded.
- For further help and advice on how to gamble responsibly see below:
